

2018 ENHANCED INCENTIVE PROGRAM

Two Rivers Water & Light is again offering enhanced incentives to help you get those efficiency improvement projects done this year. Funding is limited, so let's get started before incentives are gone.

2018 ENHANCED INCENTIVE OFFER

- 100% match of Focus on Energy incentives, up to \$1,000, for electric efficiency improvement measures.
- Combined incentives can be no more than 60% of the project cost.
- Available incentives are first come, first served while funding lasts.
- Limited to \$1,000 per customer.
- Available for projects started now through 11/30/18, while funding lasts.
- Can be combined with [Shared Savings](#) loans.
- Click [here](#) for a summary of Small Business services and incentives.
- Click [here](#) to view prescriptive incentive catalogs.

Please contact Frank Barth at 920-573-0155 before November 30th if you've got a project in mind that can be completed before December 31st of this year.
