### **Time of Use (TOU) Electric Service Agreement**

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Account: \_\_\_\_\_

Circle One:                      Residential Rg-2                      General Service: Gs-2

On-Peak time runs from 8AM to 8PM Monday through Friday. Off-Peak time is all other time including Saturday, Sunday, and the following Holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

I understand the rates as described on page 2 and 3 and understand that the rates are subject to change pending an order by the Wisconsin Public Service Commission. All applicable taxes will be applied. All late payment provisions as stated in the City of Two Rivers Service rules will remain enforced.

I hereby agree, once beginning service on this rate, to remain on this rate for the minimum of one year. I also understand that choosing to be served under the Time of Use (TOU) rate waives all rights to billing adjustments arising from a claim that the bill for service would be less under any other rate schedule. Once on this rate, Two Rivers Water & Light will review billing annually to determine if this is the best rate pursuant to Wisconsin administrative code Chapter PSC 113.

I understand that if I should relocate in the Two Rivers Water & Light service territory that this agreement does not transfer to the new location. I understand that this agreement does not transfer to a new customer at the above location.

Two Rivers Water & Light will schedule a meter exchange or re-program the meter on or near the next monthly read date to ensure TOU rate bills properly.

### **Pricing Periods**

On-Peak: 8AM to 8PM Monday through Friday

Off-Peak: All times not specified as on-peak including all day Saturday and Sunday, and the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, or the day designated to be celebrated as such.

**Commercial Customers:** A customer occupying a building or apartment for residential and commercial purposes jointly shall be billed on another rate which is determined on the customer's load.

## **Schedule Gs-2: General Service – Optional Time of Use (TOU)**

Available as an option to general service customers that qualify for service under Gs-1. The monthly maximum measured demand of customers service on this rate shall be that demand in kilowatts necessary to supply the average kilowatt-hours in 15-consecutive minutes of greatest consumption of electricity during each month. Such Maximum Measured Demand shall be determined from readings of permanently installed meters or at the option of the utility, by any standard methods or meters. Said demand meter shall be reset to zero when the meter is read each month.

Gs-2 customers with a minimum energy usage of 12,000 kWh per month and Load Factor greater than or equal to 45 percent for three or more months in a consecutive 12-month period shall have the option of transferring to the Cp-1 rate schedule. Once a customer begins service on this rate schedule on an optional basis, the customer shall remain on that rate for a minimum of one year. Any customer choosing to be service on a rate schedule on an optional basis waives all rights to billing adjustments arising from a claim that the bill for service would be less on another rate schedule.
