

## ENERGY STAR INCENTIVE PROGRAM

Two Rivers Water & Light's customers can receive an incentive on the purchase of certain ENERGY STAR rated products (products must have ENERGY STAR label). Incentive applications are available at the utility office or can be downloaded at [www.trwaterandlight.com](http://www.trwaterandlight.com). This incentive is not valid with any other state or federal incentive programs.

ENERGY STAR qualified appliances incorporate advanced technologies that use 10-50% less energy and water than standard models. Look for the ENERGY STAR logo that may appear on the appliance, the packaging or the EnergyGuide label.
